You'll be streets ahead

When you choose to join the Monroe Certified Program you're winning in more ways than one, because people who know their cars know Monroe to be the best and most trusted shock absorber money can buy.

This not only says a lot about us but more importantly it shows the customer that you really do care about your decision to stock and install a world-leading product.

With the power of Monroe's marketing, advertising and sales experience, you can rest assured that you'll be in front of your competitors year after year.

That's our promise to you.
